Pegasus Summer Program

The Pegasus Summer Program has drawn to a close. The groups and individuals that participated had a wonderful time and many of them will be joining us for our regularly scheduled lessons. We had a great group of students from the Philadelphia Youth Network working with our Pegasus staff to provide countless hours of equine activities. We thank everyone that helped make this year's summer program one of the best ever. Special thanks go to Teresa Doherty and Rachel Brune who directed the program and the Pegasus staff who made it all work so well.

Student Life Mission Camp volunteers at Pegasus

For three days last month, twelve students from the Grace Pointe Church, Naperville, Illinois worked at Pegasus. The group helped rehab the house on the Pegasus premises. They cleaned the place from top to bottom and removed carpeting from several rooms. They also painted many of the rooms. We thank them for their service.

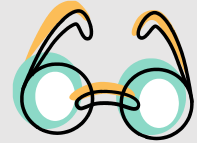

Volunteer Appreciation and Welcome Back Dinner

It's almost time for back to school and at Pegasus we want to kick off the season with our annual Volunteer Appreciation & Welcome Back Dinner on Saturday evening, September 19th from 6-9 PM. The event is FREE for all volunteers and only \$10 per person for all others. It's a great evening for everyone to enjoy each other's company and a delicious meal, as well as pay tribute to our wonderful volunteers who make this program what it is. This year the event will feature games that are being organized by Volunteer Coordinator and Asst. Instructor, Haley Flagg, as well as an equine photo booth. Invitations are being distributed soon and you must RSVP to attend. Please remember to bring your own chairs & a baked good for dessert.

Congratulations

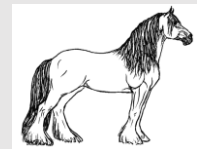

Congratulations to Rachel Brune, who recently became a PATH certified therapeutic riding instructor. Rachel began at Pegasus as a volunteer and has been an Asst. Instructor and Summer Program Director for the past two years. We are very proud of her!
