II. CANCELLATIONS:

1. *Absences must be reported in advance and will be considered an uncharged absence (DAY OFF) as long as we receive notice prior to the lesson that the participant will not be coming. For weekday evenings notice must be received by 5:00 PM and on weekends and weekday mornings by 9:00 AM. Cancellations must be called into the Pegasus office on 215-742-1501. Email notification is not sufficient since Pegasus email is not monitored on a 24/7 basis. Cancellations received after 5:00 PM for weekday evenings and 9:00 AM for weekends and weekday mornings are considered to be a **NON EXCUSED FORFEITED** absence and the cost for the lesson is still due and owing.*
2. *All clients will be given **two** days off a year (calendar year: January – December) that need not be paid for (uncharged absence – DAY OFF); clients starting to ride during the year will have the number of days off prorated as follows: in program three or four sessions per year - two days off per year; in program one or two sessions per year - one day off per year.*
3. *Extended Illness or surgery (medical leave) – no fee required, but a doctor's note is required to resume riding. An extended illness is considered to be an illness which is in excess of two weeks. Weekly coordination with Program Director is necessary for fee waiver. Pegasus Program Director must be notified of the participant's extended illness or surgery when the surgery is scheduled or the illness begins. Unpaid medical leave is limited to one session (12 weeks). Thereafter, if the participant chooses to keep their scheduled spot, they must pay for the lessons. Alternatively, they can take a session break as set forth below.*
4. *Any participant missing three lessons within the calendar year without prior notification (no call/no show) will be dropped from the program.*
5. *Cancellation due to inclement weather: Cancellation of classes due to weather is at the sole discretion of Pegasus and is not determined by school closures. Messages as to class cancellation will be available on 215-742-1501 no earlier than two hours prior to the beginning of class lessons for that day.*
6. *If a client chooses to leave the program at the end of the session, thirty (30) days' notice is required. In*

the interim, the client is responsible for the cost of all lessons during that thirty day period. Clients cannot leave the program during a session except for physician documented medical reasons.

7. *There are no make-up lessons for classes missed.*

8. Exceptions to the attendance and fee rules can be made in extenuating circumstances. Any client/family with such a situation can submit all pertinent information in writing and the Board of Directors will then take the matter under consideration.

IV. SESSION LEAVE

IF A CLIENT CHOOSES TO LEAVE FOR A SESSION, PEGASUS CANNOT HOLD THE TIME SLOT UNLESS THE CLIENT ELECTS TO PAY TO RESERVE THEIR REGULARLY SCHEDULED LESSON. However, if a client does NOT desire to hold their time slot, they can elect to take A SESSION OFF from the program and return at a future time without paying for lessons under the following conditions:

d. The client must provide 30 days written notice of intent/desire to take A SESSION OFF from the program. During that 30 day period the client is still responsible for all costs associated with scheduled lessons for the participant.

e. If the client is granted A SESSION leave, at the time the client desires to return to the program, the client will BE PLACED on the waiting list and will be offered the next APPROPRIATE opening in the program. The client's prior lesson spot will not be held during this period of time and there are no guarantees as to availability of lesson times or the duration of time the client will have to wait until a space becomes available.

f. If the client does not desire to re-register for a session, then 30 days' notice of this intent must be provided prior to the start of the next session. The client is financially responsible for the cost of all lessons in the current session during the 30 days' notice period.

V. INFECTIOUS DISEASES:

Please be considerate of our participants, volunteers, and staff by keeping your participant at home if they are not feeling well. Participants who are taking an antibiotic, must be on the antibiotic for at least 24 hours prior to returning to lessons. This is inclusive of all viral or bacterial infections.

VI. DRESS CODE FOR PARTICIPANTS:

Appropriate attire is essential for the comfort & safety of the participant. Long pants are required. Pants that are made of nylon, polyester, or other "slippery" materials are not acceptable. Boots or sneakers are mandatory for all participants. Participants riding with stirrups will need appropriate riding boots. The participant may NOT ride if not dressed appropriately. If a participant comes to lessons in inappropriate footwear, the participant will not be permitted to ride, but will still be charged for the lesson.

Weather related clothing: Please provide jackets, sweaters, gloves, etc. in the event of colder temperatures. Remember, the arena is not heated.

Summer related clothing: Shorts are not permitted. Participant's legs can become irritated unless they are protected. If it is medically necessary for a participant to wear shorts, a letter from the participant's physician must state that fact. Participants will be given one warning for coming to riding in shorts without the proper medical documentation. The second time the participant comes to lessons in shorts, the participant will not be permitted to ride, but will still be charged for the lesson. Also, proper footwear is required. Only boots or sneakers are permitted.

This applies year round; even in the summer. If a participant comes to lessons in inappropriate footwear, the participant will not be permitted to ride, but will still be charged for the lesson.

Helmets: Helmets must be worn by all participants prior to and through the entire lesson time. Pegasus will provide an ASTM/SEI certified helmet if the participant does not have their own. They are located on the observation/playroom wall inside the main office building. Helmets must properly fit the participant. Meaning, they should stay on the head when harnessed without rocking or moving. It should rest so there can be two fingers placed between the eyebrows and the edge of the helmet. **Please place helmets in their designated numbered area and utilize the disinfectant spray after your participant's lesson as a courtesy to the next participant.**

VII. WEIGHT RESTRICTIONS:

The weight limit for riding at Pegasus Therapeutic Riding Academy is 200 pounds, including tack. Weight restrictions are also based on the extent of a participant's physical, emotional, and cognitive disability, as well as each individual horse's conformation and size. This is due to safety considerations for the participant, volunteers, and instructors. All applicants will be weighed prior to evaluation. Also, participants may be asked for an updated weight or to be weighed at Pegasus at any time during the year to ensure that the appropriate horse is available.

VIII. OBSERVING CLASSES:

- We are happy to have families and friends of participants observe as long as it does not distract the class. We ask that you do not interrupt, enter into the arena, or distract the participant during the active session. This includes any additional siblings etc.
- **Participants should remain in the waiting area until their instructor or a volunteer comes to get them for their lesson.** There are specific areas designated for observation.
- For the safety of the participants, volunteers, instructors, and horses, participants and their parents, caregivers, siblings etc. are not permitted to enter the barn.
- **The mounting ramp is considered the most dangerous area during the participant's lesson.** Parents and caregivers are not permitted on the mounting ramp unless requested to do so by the instructor. **UNDER NO CIRCUMSTANCES** can a participant be mounted onto or dismounted from a horse by anyone other than an instructor unless previously authorized.
- Please keep activity/noise level around the mounting ramp area extremely low.
- Parents, caregivers, siblings etc. must stay behind the chained arena door entryway or in the waiting room. All siblings must be supervised.
- Some parents wish to help by side walking during class. We are happy to train you for this skill. Let us know if you wish to participate.

The Pegasus Executive Director, Program/Equine Director, Asst. Program Director and/or Instructors have the right to discipline a participant, parent/guardian and/or aide.
