January 1, 2020

Dear Friend,

Pegasus Therapeutic Riding Academy, Inc., is a non-profit organization (EIN #23-2241291) that has provided physical, developmental, behavioral, recreational and rehabilitative equine therapy to children and adults with disabilities in the greater Philadelphia area for over 37 years.

Our largest annual fundraiser, THE CAROL TATUM MEMORIAL GALA, will be held on Saturday, February 22, 2020 at the Knowlton Mansion in Northeast Philadelphia. This outstanding evening to benefit Pegasus TRA features an evening of dining, dancing, and libations as well as fantastic silent auction items attracting approximately 200 guests. We are hoping that you might be willing to donate an item to be used as a featured silent auction or raffle item for our February 22, 2020 silent auction.

Your contribution will help Pegasus to continue to provide outstanding services to our disabled community through our unique and inclusive equestrian programs. This past year, Pegasus has launched a nationally recognized program, "Stepping Forward" in partnership with the families Philadelphia local 22 firefighters union aimed to provide coping and communication skills for children of first responders. Our therapeutic riding programs include a dedicated program for participants on the autism spectrum called PEACE - Pegasus Equine Autism Challenge & Enrichment Program as well as wonderfully collaborative programs with Moss Rehabilitation Hospital, The Widener School, the HMS School and Woods Services. We also service individual referrals as well as groups from area hospitals, rehab centers and specialized schools.

If you would be gracious enough to donate an item, please contact me directly at 215-742-1500 or Alexandra@PegasusPhilly.org to arrange for pick up/delivery of the donation. Please feel free to contact me with any additional questions, etc.

Thank you so much for your consideration and support of Pegasus Therapeutic Riding Academy.

Alexandra Manwarren
Executive Director

"Changing lives through innovative and inclusive programs"
